NAVAL APPROPRIATION BILL.

This bill being before the House of one can deay that a sober man makes a better citizen, a better legislator, a better This morning Mr. Mc Pherson, the chaft soldier, and is better in every relation in elerk furnished us such a list of the surlife, than a drunkard.

Sober men know what they are doing; they are about if not smid the perils of the sea, and the battle field? If we wish to have our army and navy respected, run up the temperanes flag and it will be done. Our navy will then have a moral force by which it will command the respect of the world, and accomplish the object of its establishment. Drunken soldiers and sailors, inspire neither terror nor respect in the minds of enemies against whom they are enlisted in behalf of their country. This reformation would have a wholesome influence over every department of civil life. If the army and the navy dispense with the use of intoxicating liquors, the government, would be ashamed to contin-
